

2015 Caterpillar 314E LCR Crawler Excavator

Year: 2015

\$ 79,500

Location: Abbotsford, BC

This CAT 314E LCR is a compact-radius crawler excavator ideal for work in tight spaces — residential construction, utility trenching, and site prep where swing clearance matters. With a hydraulic thumb, quick coupler, blade, and auxiliary hydraulics, it arrives ready to work. Maintenance records available.
